ABOUT ME

I am a motivated student with strong problem-solving skills and proficiency in Java. I have basic experience with React and a growing interest in Machine Learning. I am dedicated to continuous learning and contributing to impactful projects. My goal is to build a solid foundation for a career in tech.

EDUCATION

Bachelor of Engineering in Computer Science Engineering **(2022 - 2026)**
Bannari Amman Institute of Technology,
Sathyamangalam 7.5 CGPA (Upto 7th Sem)

HSC **(2021 - 2022)**
SKV Matriculation Higher Secondary School
Secured 78%

SSLC **(2019 - 2020)**
Vidhya Vikas Matriculation Higher Secondary School
Secured 75%

TECHNICAL SKILLS

Programming Languages:
- Java
- Python (Basic)

Backend Technology:
- Express JS

Frontend Technologies:
- HTML, CSS, Javascript
- ReactJS

Database:
- MongoDB

Core Skills:
- OOPS
- DSA
- SQL
- DBMS

AREAS OF INTEREST

- WEB DEVELOPMENT

ACHIEVEMENTS

- Secured Third Place in TEMPESTAS-23, conducted by Amrita Vidya Vishwapeetham in February 2023.
- Published a research paper titled "**Rhythm Lofi - Music Recommendation System**" as part of my project in October 2024 at Government College of Engineering, Erode.

PROJECTS

FIND X-LOST PRODUCT TRACKER **JULY 2025-SEP 2025**

TEAM SIZE : 3

ROLE: Frontend Developer

DESCRIPTION: Developed a web application “Find X” to help users report, search, and recover lost or found items efficiently. Implemented secure user authentication with category-based search and image upload features to improve accuracy, usability, and item verification.

INTERVIEW CANDIDATE DETAILS **APRIL 2024-JUNE 2024**

TEAM SIZE : 1

ROLE: Full Stack Development

DESCRIPTION: Developed a web application to manage and track candidate information throughout the interview process. Implemented features for storing candidate resumes, interview dates, and selection status.

CO-CURRICULAR ACTIVITES

- **Paper Presentation -** *"Impellz-23: Contextual Sensitive Messaging System for Hybrid Vehicles"*, focusing on enhancing driver safety and efficiency through real-time context-aware communication and security alarms during critical situations.

LANGUAGE

- Tamil (R, W, S)
- English (R, W, S)

DECLARATION

I hereby declare that the information provided above is true and correct to the best of my knowledge and belief.
